

- this may not have the dramatic gut-wrenching impact of other holocaust films, but it's a compelling story, mainly because of the way it's told by the people who were there

expected and output: positive

- it is a compelling story

expected and output: Positive

- it has low impact

expected and output: Negative

- this does not have gut-wrenching impact but it's a compelling story

expected and output: Positive

- a perfect example

expected and output: Positive

- manipulative movie making

expected and output: Negative

- shamelessly manipulative movie making

expected and output: Negative

- well-intentioned movie making

expected and output: Positive

- rancid movie making

expected and output: Negative
